Remarks

Coveted end unit. Preserve views. Gulf Coast living at its finest. This ground-floor end unit coach home delivers the rare combination of privacy, natural light, and effortless indoor-outdoor living. South and west exposures bathe the space in sunshine, while serene preserve views set the backdrop from both the enclosed lanai and the expanded paver patio, ideal for relaxing or entertaining under the Florida sky. Inside, an open-concept layout connects the living and dining areas with the kitchen and flows seamlessly out to the lanai. Luxury vinyl flooring runs throughout, complemented by a white kitchen featuring raised panel cabinetry, decorative tile backsplash, solid surface counters, and a full stainless appliance package. The neutral palette is move-in ready. A split-bedroom floor plan ensures maximum privacy for owners and guests alike. The primary suite offers a generous bonus space perfect for a home office, along with an en-suite bath featuring an expansive shower and walk-in closet. The guest bedroom and bath create a welcoming retreat for visitors. Completing the home: a dedicated laundry room and single-car garage. Larger dogs are welcome: a rare find. Whether you're downsizing, snowbirding, or simply ready for a more relaxed pace, this home checks every box.
